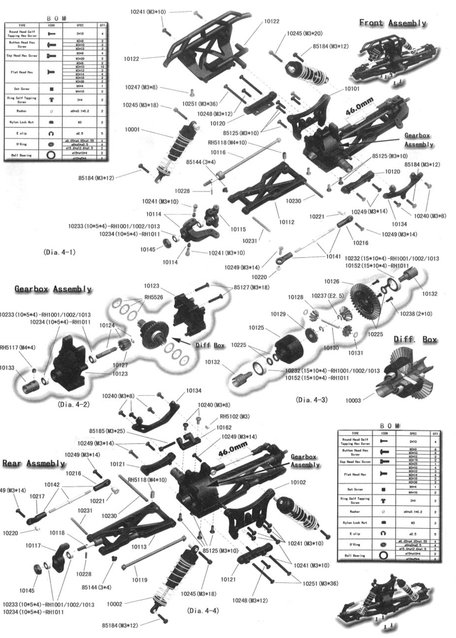
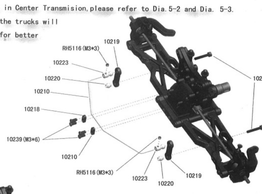
Blade Brushles / Sword VRX

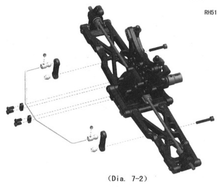


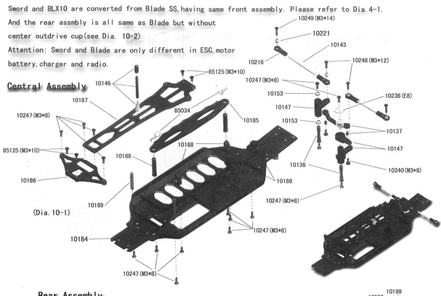
BOBLE.PL

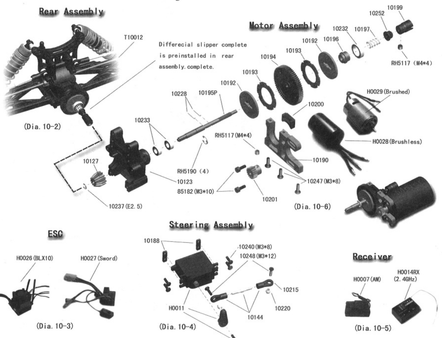
FRONT & REAR SWAY BAR SYSTEM(FOR ST TYRES ONLY)

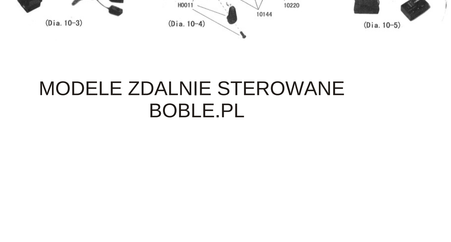
Blade SS and TS are just different in Center Transmision,please refer to Dia.5-2 and Dia. 5-3.
And when they come with ST tyres, the trucks will have front & rear sway bar system for better performance.





BOBLE.PL






Sword and BLX10 are converted from Blade SS,having same front assembly. Please refer to Dia.4-1.
And the rear assmbly is all same as Blade but without center outdrive cup(see Dia. 10-2)
Attention: Sword and Blade are only different in ESC,motor battery,charger and radio.
